

Burglar Alarm Police Notification

This Form pertains to the City of Riesel ordinance #2009-07 which in part states that an Alarm Service must be used and Auto phone Dialers are not allowed. It also states that a contact number for the Owner and two contact persons must be on file with the Police Dept. At least one of these persons must be available to come to the Residence or building to allow the Police Access to determine if a False Alarm occurred or the Structure was Entered or Vandalized. (Please Note a lot of the entries are made from the Roof and can not be detected by the Police from outside the Building.) This Ordinance also provides penalties for repeated False Alarms.
